Varsity Leading 21 To 0

Meginnis, Adduci Score On Long Runs

By Norris Anderson
(Sports Editor, The Star)

A 65-yard-run by Halfback Harry Megrinnis Big seven sprint champion, a 41 yard end sweep by fullback Nick Adduci, and 40-yard run by Mueller today gave the University of Nebraska of Nebraska Varsity a 21-0 lead over the Frosh mid-way in the second quarter.

Guard Ted Britt, North Platte sophomore, kicked all extra points.

The Varsity was troubled in the early moments of the game by a multitude of fumbles and penalties and a freshman line that refused to be budged.

Glassford named a starting lineup that includes only two newcomers in Quarterback Frannie Nagle and Fullback Nick Adduci.

A gigantic pair of tackles, Wayne Handshy (247) of Los Angeles and Don Boll (261) of Scribner, gives the frosh line its weight advantage.

BACKS OUTWEIGHED

Pulled down by Lehman's' slight 146 pounds, the frosh backfield is outweighed by the varsity backs, 173 to 172.

To protect against a muddy field, a tarpaulin has covered the greensward for two days.

South Dakota U., the opening Cornhusker foe of next Saturday, will be scouted at Billings, Mont., Saturday by Assistant Coach Ray Prochaska. The Sodaks will be opening against Montana U.

Starting lineups:

Varsity—		—Freshmen
Regier (188)	LE	(182) Manion
Toogood' (217)	LT	(261) Boll
Salestrom (188)	LG	(187) Harper

Officials—Referee, Bill Keefer, York; umpire, Mathias Volz, Nebraska; field judge, Chuck Worrall, Nebraska; linesman, Max Roper, Nebraska.

FIRST QUARTER.

On the first play after kick-off by Frosh, Varsity fumbled giving the Freshmen the ball on the Varsity 22-yard line. Three running and one pass play failed to gain and the Varsity took over on downs.

Adduci picked up a first down on two smashes to his own 34. After two tries, Adduci picked up six yards to the 40. Clark kicked to the Frosh 18.

Osborne quick-kicked on second play to Clark who got back to Frosh 47. After two plays Nagle passed to Mueller on Frosh 24 for first and 10. Rifenbark recovered Adducci's fumble for the Frosh.

Frosh got to 24 in two plays, and Reynolds kicked to Ferguson who got back to the 50.

Varsity lost to their 44. Clark punted after an incomplete pass, punt returned to the 30.

Frosh lost one yard on two plays, Reynolds kicked and Meginnis returned the ball from the Varsity 35 for a touchdown. Britt's kick was good.

SCORE: Varsity 7, Frosh 0.

Mullen booted to Heacox who returned to the 26.

Frosh got to their 35 on two plays after a penalty. Heacox made a first and 10 on 37. Lost seven and gained seven in two plays.

SECOND QUARTER.

Osborne kicked to the 42. Varsity got to the Frosh 42 in two plays. Adduci took a lateral around end for 42 yards and a touchdown. Britt's kick was good.

SCORE: Varsity 14, Frosh 0.

Edgar Howard Gets 'Oak Leaf Cluster' To Service Medal

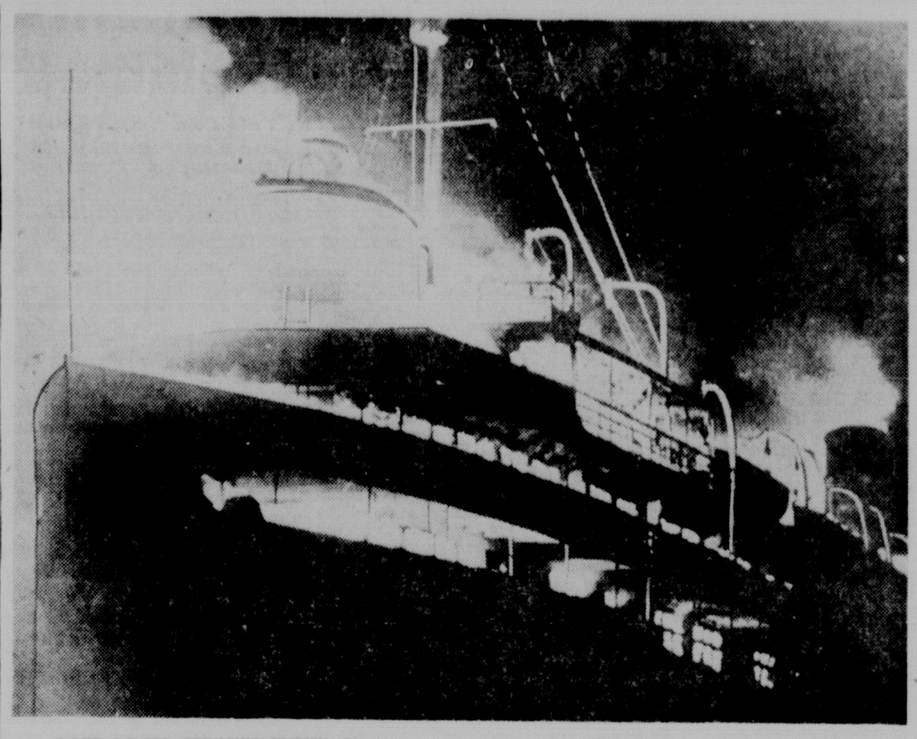

COLUMBUS, Neb.—(AP)—Edgar Howard, Columbus newspaper man sometimes referred to as the "William Allen White of Nebraska," has reached the age of 91.

In token of the birthday anniversary Friday, the chamber of commerce pinned an "oak leaf cluster " to the 90-year service medal which the former congressman recieved a year ago during a big civic celebration in his honor.

Howard became editor of the Columbus Telegram 49 years ago and still writes a column almost daily.

He took editorial not of the 91st milestone with this paragraph:

"When a man is able to beast that he has reached one of the ninety guidens on the pathway of life he is often asked to give advice as to how best to live in order to enjoy a happy old age. It is easy. Honor God and obey his commandments. Treat your neighbor just like you wish him to treat you, and never mix things with your licker."

Chances For New Municipal Building Slim

'Musts' Will Require All Available Funds

A new municipal utilities building?

A remote possibility.

That's the perspective one got from city hall to Rees Wilkinson's latest proposal—a new muncipal utilities building that would be "a real monument to the city."

City officials are agreed a new building would be fine. And then comes the inevitable "but." "How will it be financed?" Therein lies the all-encompassing catch.

Although Councilman Wilkinson has a plan in mind for financing the building, it was largely discounted by city officials. There are other things that must come first —namely expansion and improvement of city water and light operations.

Expansion Program.

True, revenue from the city water and light department exceeded $1,000,000 last fiscal year. However, the city will soon have a greater than million dollar improvement and expansion program under way. These improvements are "musts" for utility service in an expanding city.

Mayor Miles was immediately agreed on the need for a new utilities building. He pointed out how the present set-up has squeezed other city departments for office space, and stated: "Sooner or later it will have to come." Maybe, he said, it can be integrated into the city-county building if it is ever built.

But the mayor, too, brought up the question of financing the building and added he thought it would be best to withhold further comment until Wilkinson brings up the subject at the council meeting Monday.

William F. Stoll, 70, Resident Of Lincoln For 28 Years, Dies

William Frederick Stoll, 70, former employe of the Lancaster county roads department, died Saturday at a local hospital. He lived at 2418 South Eighth.

Born July 9, 1879, at Nehawka, Neb., he came to Lincoln 28 years ago. He was a member of the Lutheran church.

Survivors include his wife, Marie; two sons, Lt. James William, Honolulu, and Pvt. Dennis A., Ft. Riley, Kas.; three sisters, Mrs. William Wyers, Eagle, Mrs. Mary Lamore, Beatrice, and Mrs. Martha Winn, of Colorado; and a brother, Louie, Nebraska City.

Two-Mile Parade Marks School Day At Saline's Fair

(Special to The Star)

CRETE, Neb.—An estimated 3,000 persons packed downtown streets here Saturday to watch an over two-mile "school day" parade of the Saline county fair.

Six bands and a Fairbury drum and bugle corps paced the parade on its way to the fairgrounds. The bands were from Nebraska Wesleyan university, Doane college, Fairbury, Crete, Wilber and Fairmont high schools.

Ernie Vlasak, Crete, fair secretary, said the recent anti-gambling edict by the attorney general "has knocked out about one-half of the concessions" scheduled for the fair, which ends Sunday.

Winners picked by parade judges were:

Of the 55 school districts having floats: First, Dist. 80, Miss Betty Jean Vana, teacher; second, Dist. 106, Miss Helen Kotas; third, Dist. 58, Miss Delores Placek; fourth, Dist. 73, Miss Shirley Kotouc; fifth, Dist. 65, Bill Stilwell; sixth, Dist. 12, Miss Inez Slama. Honorable mention to Dists. 66, 37, 5, 72, 50, and 42.

Mercantile floats: First, Hotel Crete; second, Friend Grange; third, Central Gas Co., Crete; fourth, Steiner Jewelry, Crete.

Valentine Boy Fatally Injured

VALENTINE, Neb. —(AP)— Kenneth Lawrence, 2½-year-old son of Mr. and Mrs. Eugene Lawrence was fatally injured Thursday when a large old fashioned electric stove toppled on him as he played in a shed.

He suffered a skull fracture.

The boy was playing on the ground beside the stove and a four-year-old playmate was believed to have been climbing about the stove. There was evidence the boys had been digging in the sand beside one leg of the heavy stove.

Besides his parents and a brother, Francis, the boy is survived by his grandparents, Mr. and Mrs. Claude Hamilton and Mrs. Emma Lawrence, all of O'Neill.

Trenton Dam Queen Named

Coronation Ball Opens Celebration

TRENTON, Neb. —(AP)— A slender brown-eyed brunette from Stratton, Neb., will reign next week as queen of the Trenton dam dedication.

She is Shirley Carter, 18, whose selection was announced Friday night at the Trenton dam coronation ball, kickoff event for the celebration of the latest milestone in southwest Nebraska flood control and irrigation development.

A crowd of about 4,000 was on hand to see Miss Carter named winner from a field of seven contestants.

The actual dedication next Wednesday will wind up the celebration.

An auction of special souvenirs donated by various public figures brought a total of $300 which will go into the celebration fund.

A speaker's gavel made of wood from a tree planted by George Washington in front of the White House more than 100 years ago and used by Speaker Sam Rayburn in the house this year, went to the Trenton American Legion post for $30.

The flag which flew over the capitol building the day the interior appropriations bill passed the senate went to A. Thuman, a Trenton banker, for $125. The flag was donated by Sen. Kenneth S. Wherry (R-Neb). The gavel came from Sen. Hugh Butler (R-Neb).

Other items auctioned ranged from a picture-frame made of wood from the roof of the original White House to an autographed copy of the congressional act that named Swanson lake and Trenton dam. This last came from reclamation bureau Commissioner Michael Strauss.

Mrs. Behm Termed Woman Of 'Quiet Confident Faith'

"Mrs. Behm had an attractive and optimistic personality, a general happiness about living, a warm friendliness and absorbing interest in people, a believing in work and the joy of it, a quiet, confident faith and an abiding love for her family."

These were the words of Rev John Douglas Clyde at funeral services held for Mrs. F. E. Behm Saturday at the Hodgman-Splain chapel. Mrs. Behm was the wife of F. E. Behm, general plant superintendent of Lincoln Telephone and Telegraph.

"Her personal philosophy was well reflected in a verse she carried with her," Rev. Clyde said. "Its theme is simple and yet profound. It says, in general, 'Whatever life may be . . . take heart and wait.' "

Mrs. Behm died Tuesday afternoon at Springfield, Mo., while on a vacation trip with her husband.

Disaster One Of Worst In Great Lakes History

Flames Envelop Noronic During Middle Of Night

. . . Cruiser Carried 512 Passengers

TORONTO—(INS)—A joint announcement by the police and fire departments at 3:45 p. m. (EDT) Saturday stated that 250 bodies have been recovered from the Noronic that burned and sank at its pier early Saturday morning.

TORONTO—(AP)—A middle-of-the-night fire roared through the Great Lakes cruiser Noronic at her pier Saturday and by noon, police said, 185 bodies had been removed from the wreckage.

In addition they said three persons died in hospitals and four were recovered from the water, making a known death toll up to noon of 192.

Investigating officials at the scene of the Great Lakes worst fire in a century said they thought the number of dead might mount as high as 226.

The fire, which raced through the 36-year-old vessel, broke out while most of those aboard were sleeping. Operating officials put the number aboard at 512 passengers and 170 crew members.

Docked Friday Night.

The 6,905-ton Noronic tied up at her pier in downtown Toronto Friday night with holiday trippers bound from Detroit and Cleveland for the Thousand Islands. It was to be her last cruise of the season.

Hundreds of passengers escaped in a frantic, screaming, pushing mob, after they were awakened by alarms and cries of "fire." Some leaped to the pier, some to other vessels, some into the water.

Others were trapped and their uncounted bodies were still believed to be huddled in the submerged C-deck. The death toll rose as firemen kept bringing up the charred, broken bodies of the victims.

They said it might be three days before the fate of all those aboard could be established. It was impossible to compile a list of survivors for the time being.

All except about 20 of the passengers were said to be Americans.

Cause Not Known.

The cause of the blaze was not known, but firemen said they had established that it started in Stateroom 462 on the starboard side, two cabins aft the cocktail bar. Within three minutes after it started, witnesses said, the whole of C deck was afire.

A pier watchman turned in the first alarm after seeing "a glimmer of fire near the stern." Not two minutes after he telephoned, he said, the whole ship seemed ablaze.

As daylight came, firemen worked with pike, pole and shovel in the wreckage, bringing out bodies. Sometimes there were three or four bodies, sometimes only broken, charred parts of bodies.

Chief Coroner Smirle Lawson arranged to set up a temporary morgue at the horticultural building of the Canadian national exhibition four miles west along the lake shore. Relatives and friends were to go there to identify the dead.

Firemen had to cut through the steaming wreckage with torches to bring out 11 charred, unidentified bodies by 7:15 a.m.

Lutheran Church Income Hits High Of $51,399,482

OMAHA—(AP) — Members of the Lutheran church, Missouri synod, set an all-time high for contributions last year.

The church's annual statistical yearbook disclosed Saturday contributions totaled $51,399,482, a 10 per cent increase. The total represents an annual contribution of $44.87 for each adult member.

A new record also was set in the number of students enrolled at the church's two seminaries. The figure was 596.

The report places total membership in the Missouri synod at 1,694,024.

Reds Up Military Strength

Senate Report Calls Policy Deliberate One

WASHINGTON —(AP)— Two senate committees reported Saturday that Russia has more than 5,000,000 men under arms and is stepping up her military might.

This estimate of the Soviet military strength was given by the senate foreign relations and armed services committees in a formal report on the administration's proposed $1,314,000,000 foreign arms aid bill.

The report accused the Soviet Union of carrying out "apparently a deliberate" policy of increasing its military strength.

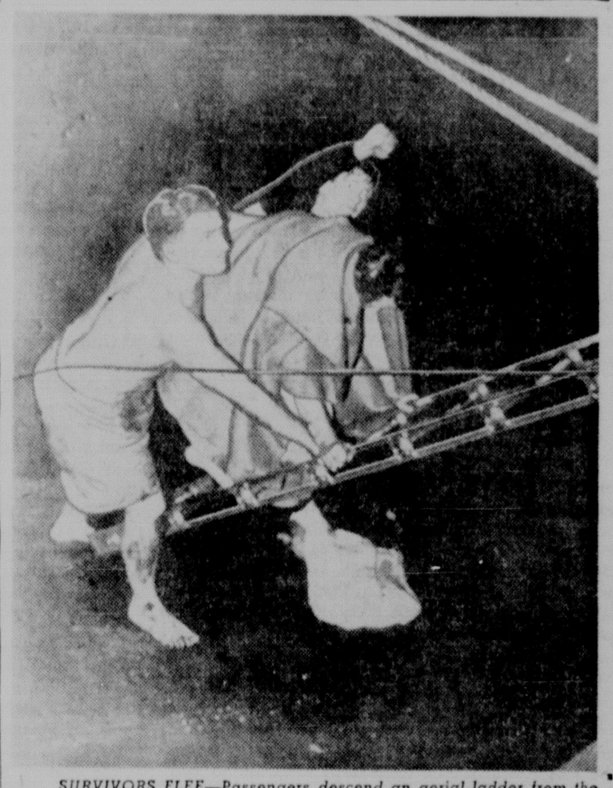

Russia increased her military budget for 1949 over 1948 by 19 per cent and her ground forces "are estimated to be in better condition than at any time since the war," the report said.

The senators said the Soviet force in Germany has been boosted from 70,000 to 100,000 men with "increased security measures along its borders (of Russia) and the borders of its satellites."

"All of this activity demonstrated," the report said, "that in the face of the complete demobilization of the forces of the U. S. and the European nations, and without a competing program of military improvement, Soviet policy has been and is to increase its military strength. This policy is apparently a deliberate one on the part of the Soviet government and would exist whether or not the program of aid to free nations is undertaken by the United States."

Pirates Jolt Dodgers

No Lincolnites On Stricken Ship

According to a local tour and travel agency, apparently there were no Lincoln people aboard the Noronic at the time of the fire last night.

There were however many Lincoln resident who sailed on these same Canada Steamship Lines' lake cruises earlier this summer.

James N. Ackerman, Lincoln lawyer, was on a sister ship of the Noronic about three weeks ago. He said he was on the steamship Quebec on a cruise from Quebec, Canada, east to the Saguenay river, up the river, and back to Quebec.

Ackerman commented that there was a lot of shipping traffic in the area there.

Odell Will Honor Dr. Rice And Wife

ODELL, Neb.—(AP)—An Odell doctor who in 28 years of service has delivered more than 2,000 babies will be honored Sunday.

By proclamation of the Odell Commercial club, Sunday will be "appreciation day" in honor of Dr. and Mrs. C. E. Rice.

Dr. Rice began practicing medicine in Odell just after he received his medical degree in 1922. He and his wife, a nurse, built the Odell hospital in 1929 and still are in charge of it.

400 Lutheran Laymen Open Meeting Here

Committee Reports Take Up First Day

More than 400 Lutheran laymen are expected in Lincoln this weekend for the tenth annual convention of the Nebraska district of the church's Laymen's League.

An executive board meeting, with Vice President Fred Kuhlman of Grand Island presiding, opened the convention this morning at the Cornhusker hotel. Convention adjournment will follow a banquet Sunday night.

Chairman Carl Wittrock, Falls City, field secretary, and his resolutions committee were meeting Saturday afternoon. He said one of the resolutions to be brought before the convention Sunday will be the annual request for funds for the League's scholarship to Concordia college.

W. J. Bitter, Lincoln, convention chairman, welcomed the delegates in opening the afternoon business session.

In his president's message, L. A. Lohrberg, Lincoln, reported on the national convention at Hollywood in June. He described the spread of international broadcasting of the "Lutheran Hour." "The church is receiving about 7,000 letters from over the world weekly about the program, now broadcast in 36 languages," he said.

Lohrberg started the League's new movie, "The Sickle or The Cross," will have its Nebraska preview tonight during the education and fellowship gathering at 7:30 p.m. G. E. Collins, Omaha and Douglas county probation officer, will speak on juvenile delinquency.

Also giving reports during the session were: W. J. Bitter, announcement of committees; Kuhlman, report of the board of governors; Wittrock, field secretary's and resolutions committee report; H. A. Hansen, Lincoln, treasurer's report.

Elect Officers Sunday.

New officers will be elected during the Sunday afternoon meeting and installed at the banquet at night. Tomorrow morning, delegates will attend church services in the Varsity theater.

Dr. Lawrence Acker, pastor of First Lutheran church, Omaha, will address the banquet gathering and also give a report from the National Laymens League.

Hosts to the convention are the Trinity, Immanuel and Calvary Lutheran Leagues of Lincoln.

BACK TO THE BEGINNING

The 81st congress earned its salt in the week which closed Saturday.

★

It fired a shot, the echoes of which will be heard around the world. By an impressive vote, 62 to 19, more than 3 to 1, democrats and republicans alike reinstated Cordell Hull's reciprocal trading agreement program in workable form. Nebraska supplied two of the 19 negative votes. Senator Kenneth Wherry maintained his consistent opposition to present American foreign policy; Senator Hugh Butler, who had given his blessing to the Atlantic pact, turned around to join his colleague in opposition to the reciprocal trading agreement program.

★

It is getting to be an old story.

★

In a senate of 96 members, the overwhelming majority are out of step with Nebraska. There are exceptions but most of the time this state's voice cries out in the wilderness. If Nebraska is singing in key, then most of the country is off pitch. When it comes to international trade, if Nebraska's two senators are right, then a lopsided senate majority is wrong. If the combined votes of Senator Wherry and Senator Butler rest upon the sound economics, then 62 of the 81 senators who voted are recklessly irresponsible in the matter of foreign trade.

★

A little background may be helpful to public understanding. For 12 years, congress renewed the reciprocal trading agreement program to run for a period of three years. That was America's emergence from the most deadly form of economic nationalism, or practical, down-to-earth isolationism of the years between two great global conflicts. It revived American exports substantially, contributed to the exchange of goods and services between countries. Then the republican-dominated 80th congress came along in 1946, and too timid to take the full plunge back to earlier republican high protection walls, limited reciprocal trading agreements to the duration of 12 months, not sufficient time to get started, imparting uncertainty, confusion to the whole program. The agreements had expired on the closing day of last June. They were only technically in effect through a ruling by the attorney general. In the struggle that reached its climax late in the week, republican strategy was to write in a "peril point amendment" which would have permitted the tariff commission and congress to sit as a board of review upon tariff adjustments. The net result of that amendment would have been to have returned tariff making to the seamy atmosphere of congressional logrolling.

★

Only five votes marked the division at this point.

★

That's how near Cordell Hull's reciprocal trading program was to defeat. But on the vote on final passage, many republicans who had strung along in support of the "peril point amendment" deserted republican majority leader Wherry to vote for the bill.

★

No state has a bigger stake in healthy foreign trade than Nebraska. One does not have to be very old, or to have been around a great deal, to remember the deadly results to a farm people of American tariff policy in the 20's. Between the Fordney-MacCumber law of 1922, and the Smoot-Hawley law which followed it in 1928, the Nebraska farmer, numbering thousands, all but lost his home. The most important step taken at this session of congress in long-range results, was the action on the reciprocal trading program. Without it the Marshall plan, the North Atlantic pact, all of America's attempts to contribute to world stability, were empty gestures. The basis of world recovery is healthy trade, not donations, not the building of vast armies, but flourishing world trade. It was the neglect of trade, the nationalism embraced in trade barriers, that wrecked us before.

★

Senator Butler lost no time in swinging into action against one detail of current British-Canadian-American dollar talks in Washington. Britain was given permission to use Marshall Plan dollars for the purchase of Canadian wheat. Senator Butler described it as an act of "treachery." Superficially, it does have the appearance of cutting the market out from under the U. S. wheat producer. The amount involved is not large, no considerable percentage of the estimated American surplus, but it does give Senator Butler a chance to howl, which he was quick to see. Canada is one of our best customers. We sell more products to Canada than any other country in the western hemisphere. We buy a lot of Canadian wheat ourselves under our long-established milling regulations, Canadian hard wheat being a requirement in the milling of flour. The chances are we will get it back with interest but in the present state of public mind, it gives the senior Nebraskan a plausible talking point.

★

President Truman jolted the press with a surprise.

★

He had been expected to take his time in selecting a successor for Justice Wiley Rutledge on the United States Supreme court but the chief executive moved with rapidity, probably to head off a mad scramble for the vacant seat on the high bench.

★

Mr. Truman's selection was U. S. Circuit Judge Sherman Minton, a former United States senator, a colleague of the president. In more ways than one, Minton's choice was a surprise. The columnists and commentators were certain that the job would go to a man classed as "a middle-roader," insuring a more conservative tone to the deliberations of the high court. In the senate, Minton was one of its most ardent New Dealers. He supported the late President Roosevelt in the court fight, was sharply critical of the court in connection with the decision nullifying the original Triple A program, which was one of the chief factors contributing to the now famous judicial conflict.

★

That particular case may enliven discussion of the Minton appointment in connection with senate confirmation, although the chummy atmosphere of the Senate club is not apt to invite obstacles to approval of the Hoosier appointee, the first man from that state to be chosen for the high court. Judge Minton tangled with the Chicago Tribune, gave its publisher one of the worst verbal hidings. His choice means a solid front of Justices Douglas, Black, and now Minton, with Justices Jackson, Frankfurter on the other extreme, and the remainder in between. Those hoping for change find nothing changed.

★

Two of New York's favorite sons—John Foster Dulles and Herbert Lehman—were squaring off for a battle royal. The prize: the seat now filled in the United States senate by Dulles.

★

Much of the Great Plains area, faced with an abnormally early killing frost, escaped. Fears of widespread damage to corn, backward because of a wet spring, evaporated. But over the country, there was a mounting cloud of anxiety because of threatened labor difficulties. John L. Lewis was acting up again. And in the vast steel industry, only a little more than a week remained to get the answer to a deadlock between management and labor.

★

Here at home, Nebraskans were adjusting themselves to Attorney General Anderson's campaign against gambling . . . Generally the state gave approval to the crackdown but how much of it was lip service remains to be seen . . . Football had its inaugural; its great rival, baseball, was on the way out . . . In the major leagues, there was the possibility nothing would be settled until the closing games . . . Electric 'Brain' May End Metal Printing

. . . Hailed As Most Significant Advance In 75 Years

By ALTON L. BLAKESLEE.

BOSTON—(AP)—A new machine with an electric brain and a flashing photo heart promises to chop down the costs of printing the newspapers, books and magazines you read.

It sets type clearly, accurately and quickly on film, without using any metal. Anyone who can type can run it, for it has a standard typewriter keyboard. Whatever you type comes out with perfectly-spaced margins, arranged by the electric brain.

Each letter is projected onto film through a photo-electric gun, pulsing like a heart to record just what you've written. You push buttons to get whatever style of type you want, or whatever size from headline to small print at any moment. You can see your whole line of words and correct any errors before you push the button to photograph it.

Big Savings Seen.

Leading publishers and scientists unveiled the new machine yesterday and called it the most significant advance in the art of printing in 75 years.

It promises to bring huge savings in the cost of printing, and make possible printing of more newspapers, books, magazines and scientific journals, they said.

Present linotype machines set type from molten metal, and have a top speed of about seven or eight newspaper column lines a minute.

This machine sets 12 lines a minute, by photographing six letters a second. It could set 20 a minute, if anyone would type that fast. It saves through faster production, and can bring other savings by avoiding some stages of printing with metal type.

French Inventors.

The strips or rolls of films that come from the machine have to be reproduced on metal. This can be done by making offset plates, or photoengravings for regular printing methods. And scientists predicted ways will be found to make up new kinds of photoengravings cheaply and in perhaps a few minutes time.

The machine is the result of co-operative work of two French inventors, Rene A. Higonnet and Louis Moyroud, the Lithomat Corp. of Cambridge, and Dr. Vannevar Bush, president of the Carnegie Institution of Washington and his associates.

As yet the photo-composing machine has no official name. One working model has been made. The finished machines will look like a big desk. They may be ready in 18 months. Costs are not yet known.

Dr. Bush declared many present methods of printing are obsolete, and that changes will come fast in this field. Movable type may be on the way out, he said, and "someday we may do printing without any metal at all."

Devaluation Of Pound Is Favored

"Concerning the devaluation of the English pound argument, people are thinking of the pound as too sacred or they are expecting too much from its possible devaluation."

"There is not much to solve in England's home monetary problem," said Karl Arndt, professor of economics at the University of Nebraska.

Arndt spoke at a meeting of the Lincoln chapter of the Nebraska Office Managers association at the Cornhusker Thursday night.

"In any event," added Arndt, "the devaluation of the pound would have little effect on prices within England itself." He said that he thought it would have a slight effect on England's cost of living, because so much of England's food is imported.

"There are no sure cures for England's monetary problems," Arndt said. "As far as England is concerned at home at least, she is quite sound."

DOUBLE TROUBLE

AP Newsfeatures — By WILLIAM HOBSON

Chapter 3

Jay stripped off hat and shirt and hurriedly washed in a basin of cold water. He put on a clean shirt, cautiously opened the door, and peered into the hallway. It was empty, and Jay hurriedly went toward the back door.

He knew Joe. Joe liked to drink, and if he'd been in Ashbury very long he'd be known in the saloons.

He strolled over to a bar and the bartender grinned at the sight of him.

"Say, where you been keepin' yourself lately? Ain't seen you in a month of Sundays."

"Been down home," Jay said briefly. "Visiting the folks. How's things been going?"

"All right, I reckon. I saw Ellen on the street a little while ago with her ma and pa. You going back to ridin' for Randall?"

So her name was Ellen Randall. Knowing her name helped a lot. Jay shrugged. "Quien sabe? A man has to make a living somehow. Seen Jim around?"

"Jim who?"

"Swinnerton," he said.

"Oh, Jim. Sure, he's arouund some place. Tried his office?" He went to the end of the bar fronting the street wall and peered out. He turned. "I expect you'll find him in his office. I see the front door open." He came back and put a glass on the bar, reaching for a bottle behind him.

"Same thing?" he asked, and poured without waiting for an answer. It was straight rye, one hundred proof, without a chaser.

"Sure thing," nodded Jay. It looked as though he were going to have a hard time filling his brother's shoes until he got this mess straightened out. Joe was a hard drinker and Jay didn't care much for the stuuff.

But he was tired from the long ride and the fiery liquor was welcome.

He crossed the street and made his way along the boardwalk to the open door of a small one-story building with two windows on the front wall, one on either side of the open door. Lettered on one were the words: James Swinnerton, Attorney-at-Law.

Jay went in. The place was deserted except for the man who sat back of the desk going over some papers. He was in his thirties, blond and well built, and clean-shaven. The pencil dropped from his hand. He rose slowly. "Good heavens!" was all he said for the moment.

"It's impossible!" he said. "It just can't be! And yet I know it must be. You're Jay Allison, aren't you?"

Jay nodded, waiting. "Where's Joe?" he finally asked.

Swinnerton got up and closed the front door.

"I haven't got much time," Jay said impatiently. "I got in on the train just a little while ago. Took a room at the Ford and the next thing I know a red-haired girl grabbed me and started hugging me."

The lawyer laughed. "That's Ellen Randall. She and Joe are engaged to be married."

"I know that," gunted Jay. "She told me that much. I'm supposed to go over and eat supper with them as soon as I finish bathing and shaving. So I haven't got much time. I want to know their names, what I'm supposed to do, where Joe is and what's up. Where's Joe and where do you fit in?"

Swinnerton smiled and leaned back in his chair. "Last week Joe got himself badly shot up. We've got him hid out."

"What's your part of the deal?" Jay shot back.

"My dear fellow," the other laughed, "I'm Joe's lawyer. He got into a bit of trouble with a man named Peg Smith. Whatver it was, he tried to draw a gun on Joe, and Joe blocked the draw with one hand and laid Peg's scalp open with a gun barrel. I defended him in court and got him off with a fine. Last week a rider I never saw before came after me in the night. Joe wanted to see me. I found him hid out in a camp. He's badly wounded, but he'll live."

"How'd he get shot? He was supposed to be home the past month with the folks."

Swinnerton shrugged. "I can let you have the facts. A couple of months ago Joe and Ellen Randall fell in love. Old Mike, her father, hit the roof on account of Joe's drinking and making love to the girls at dances and getting into fights. He sent Joe to a summer line camp far to the north to get him away from Ellen for a while and let him cool off. But Joe got sore and threw in with Brad Morden's gang of horse thieves who are running stolen stock through this section of the country. He helped them slip through at night. Then he said he was going home for a while, and joined them in some raids instead.

"Well, last week they stopped by Randall's place to pick up a few of his thoroughbred Morgans. Old Mike is crazy about his blooded stuff and keeps them under guard at night. Joe got shot but got away. He sent for me. He said that if he didn't show up at the ranch on time — he was already two weeks overdue—Mike and the girl might get suspicious. He asked me to send that telegram to get you up here in a hurry. I sent it and you're here."

"In other words," Jay Allison said slowly, "I'm to take over his job and make love to his girl until he gets well enough to go back to stealing horses from his boss. The answer is that Joe can go to blazes. You tell him I said so. I never minded his wildness and drinking, but I'll have no part in any such mess."

State Payments Over $1,000,000 For Care Of Aged

State old age assistance payments passed the $1,000,000 mark during August, but showed an increase of only $586 over July. Average grants ncreased from $42.06 to $42.08.

The August figure was $1,000,290, compared to $999,704.80 in July and $964,806.30 in August of 1948. The number of cases increased only two, from 23,767 in July to 23,769 in August.

For aid to dependent children, the state assistance department paid $285,949.80, an average of $35.43 per child and $84.48 per family. The figure is slightly above the July cost and the cost of August, 1948.

The department paid $28,919.20 in aid to the blind, with average payment of $50.82. In July, aid to the blind cost $29,335.20, an average of $52.20 per grant.

Lions Get Sponsors For Scout-Cub Fair

Ben Joyce, chairman of the Lincoln Lions club sponsorship committee for the Scout-Cub fair to be held Oct. 28 and 29, held a committee-report meeting at the Cornhusker Friday morning.

He told the group that the five Lions clubs of the Lincoln district had attained 75 per cent of their goal in attaining sponsors for the Scout exhibits to be constructed in the Industrial Art building, at the fair grounds.

Joyce said that more than 35 downtown businesses were likely sponsors.

Bill Hayden, general chairman of the Scout-Cub fair announced that 40 Scout and Cub units from the Lincoln district of the Cornhusker Council have applied for exhibit booths. He said that units from David City and Milford will also participate in the fair.

JUST FOLKS

By EDGAR A. GUEST

CRAZY BOY.

There was a youngster with a dream,
At first a trifle hazy,
So mad and fanciful a scheme
That wise men called it crazy.

Professor said: "A stubborn fool!
Small wonder no one backs him!
Forgetting what he learned in school,
He's breaking every maxim.

"So wild a method can't succeed.
The printed text books show it.
And if the latest word he'd read,
The silly boy would know it."

But on he went his stubborn way
And left the books unheeded,
And won with methods wise men say
Should never have succeeded.

Public Power Given Okay To Expand

20 Millions In Bonds Of Loup Dist. Refinanced

KANSAS CITY, Mo.—(AP)—A multimillion dollar bond transaction, which permits Nebraska to increase its public power facilities, took place here Friday.

The transaction consisted of the refinancing of $20,300,000 of Loup River Public Power district and the Platte Valley public power and irrigation bonds under a new Federal Works Administration "open end" indenture.

The old bonds specified that additional bonds could not be issued. The new "open end" indenture permits subsequent bond issuance to finance expansion.

Get Green Light.

Thus Nebraska's public power system—there are no private power utilities in the state—got the green light to expand its generation and transmission facilities.

The co-ordinated power program of the hydros, Consumers public power district and the rural electrification districts calls for spending an additional $23,000,000.

The Rural Electrification Administration has agreed to buy $8,412,000 of the new bonds issued. Of this amount $5,412,000 is earmarked for construction of some 340 miles of transmission lines, sub stations and related facilities for the Nebraska public power system, and $3,000,000 for completion of the new 60,000-kilowatt generating plant at Bellevue, Neb.

Revenues Pledged.

The REA loan is being made to the Loup River Public Power district, although the revenues of the Platte Valley district also are pledged in payment of the bonds. Interest rate will be regular two per cent and the rural districts in the state will receive credit on power purchases from the NPPS in consideration of interest savings effected.

An additional $14,700,000 of bonds are authorized to finance the remainder of the planned expansion. Of this, from $8,000,000 to $10,000,000 will be sold to private investors soon and the rest probably will be issued within 12 months.

New Power Feeders.

New facilities planned under the program, in addition to completion of those now under way, include a series of new high voltage power feeders to transmit power from the NPPS, carry Fort Randall dam power (expected by 1953) to load centers in various parts of the area served by the system, and to provide more direct connections for rural development and other expanding loads.

In addition to the 60,000 kilowatt plant now being built at Bellevue, and the 15,000 kilowatt generating unit under way at Lincoln, another 30,000 kilowatt generating unit will be installed at Bellevue or some other location.

Only East Involved.

This broad plan involves only the eastern Nebraska area as far west as North Platte, but Consumers officials said plans are being considered by the board of directors for a $3,000,000 power expansion in the western system, which will increase the power supply and transmission facilities in the Ogallala, Chadron, Bridgeport and Scottsbluff areas.

The new FWA bonds will carry a 2½ per cent interest rate and will be retired over a 40-year period.

While the new financing arrangements were being completed Consumers advanced the hydros $1,000,000 as an interim loan to prevent interruption of work at the Bellevue and Lincoln plants.

The new program provides for furnishings power either on a fixed rate or cost of service basis and for the establishment of joint planning and budget boards on which there will be representation of Consumers, the hydros, the REA districts and municipalities purchasing power from the NPPS on a cost of service basis.

Under the plan each agency obtaining power from the power pool will bear a fair share of the cost of supplying power.

William Cline Loses Life In Airplane Crash

William Cline, Amarillo, Tex., cattleman and graduate of the University of Nebraska in 1936, with a fellow Texan lost his life last week when their small plane went down near Waynoka, Okla.

The two men, missing since last Thursday were on a flight from Omaha to Amarillo when the crash occurred. The other dead man is J. W. McBrayer, White Deer rancher.

They had taken off from Omaha early Thursday, refueled at Hill City, Kas., and planned to fly east to Salina, Kas., and then to Wichita to avoid windy and cloudy weather.

Cline, a native of Omaha, with his father marketed cattle frequently in Omaha.

Platte, Columbus Officials Pledge Anderson Support

COLUMBUS, Neb. — (AP) — Full co-operation with Attorney General James H. Anderson's ban on gambling has been pledged by Platte county and Columbus officials.

"We will certainly comply with his wishes," said Mayor Lee Nauenburg. "We have always co-operated with the attorney general's office and will do so now."

County Attorney Arthur Kummer said he had told the sheriff's office to check up and be sure all gambling devices were out of the county.

—GI Life Insurance—

Dividend Payments Explained

Vets Can Now Figure Out Their Return By Announced Formula

WASHINGTON — (AP) — Some 16,000,000 World war II veterans can now figure out the life insurance dividend checks they may expect within the next nine months.

Under the deceptively simple formula announced by the veterans administration late Friday, a minority of them—but a minority of many thousand—may get a maximum of $528 each.

For the younger ex-GI's, the dividend rate is 55 cents a month for each $1,000 of insurance. For those over 40 when the policy was issued, there is a descending scale, with a minimum rate of 20 cents a month for each $1,000 taken out by a man of 55 or over.

The top checks will go to the 40-or-under policy-holders who (a) took out the maximum amount of insurance — $10,000 — in 1940, when it first became available and (b) retained it in full force for the 96 months that followed.

Release Mix-Up.

The $2,800,000,000 special dividend to be paid in the first six months of 1950 covers all national service life insurance policies through their anniversary date in 1948.

The veterans administration had planned to make the dividend formula public next Sunday. There was a mix-up over release time, however, so that the announcement was moved up.

The formula:

For those age 40 or younger at issue, multiply 55 cents times each $1,000, times each month the policy was in effect before its 1948 anniversary date: Age 41, 52 cents; 42, 49 cents; 43, 46 cents; 44, 43 cents; 45, 40 cents; 46, 37 cents; 47, 34 cents; 48, 31 cents; 49, 28 cents; 50, 25 cents; 51, 24 cents; 42, 23 cents; 53 22 cents; 54, 21 cents; 55 and over, 20 cents.

VA officials warned that in many cases the formula is not as simple to apply as it appears.

No Income Tax.

The reason is that many veterans changed the face value of their policies several times and many allowed them to lapse several times. VA has the exact dates of these changes, but few veterans are believed to have kept accurate records.

The dividend will be paid at the same rate on both term and converted policies. It is not subject to income tax. Veterans must apply for it.

Application blanks are available at all post offices and veterans centers. Some 12,000,000 already have been sent in.

VA officials pointed out that while the typical monthly premium on term insurance at age 21 is $1.25 for ordinary commercial life insurance, that for national service life insurance was 65 cents.

Now the dividend rate on such a policy is 55 cents, making for extremely cheap insurance for the veterans.

Veterans Administrator Carl R. Gray, jr., said the formula does not apply to insurance on a permanent plan which has been surrendered for a reduced paid-up amount. Such cases will be calculated separately.

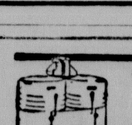

Valley - Wahoo Paving Contract Let

The state highway department Friday awarded the contract for 2.1 miles of paving on U. S. Highway No. 275 between Valley and Waterloo to the Missouri Valley Construction company of Omaha.

The bid was $137,507, and includes incidental work as well as construction of 22-foot concrete pavement over the existing 18-foot brick pavement.

Commission Is Urged To Lower Phone Rates

L.T. & T. Hearing Ends: Case Under Advisement

Charging that the requested increase of rates by the Lincoln Telephone & Telegraph Co. are "preposterous and scandalous," George Skultety, Fairbury, attorney for the Jefferson County Farmers Union, urged the state railway commission to lower rather than increase the rates.

The request of the telephone company for increased rates was taken under advisement late Friday after two days of testimony by the protestants. In a July session of approximately the same length, the commission heard the case of the applicant.

Quoting figures submitted by the company, Skultety recalled that it was represented as a 14 per cent increase granted in 1947.

"They parlayed this increase to 108.7 per cent in net operating revenue after all expenses were paid," he charged.

Increases Cited.

The lawyer for the Farmers Union then asserted that the present increase of approximately 10 per cent asked by the company would in reality amount to "a 60 per cent in net returns after the best year in the company's history."

He pointed out that the company obtained increases in 1919, 1929 and 1947 and that the 1929 increase was not reduced during the depression years. "They missed the peak in 1947 so now they are before you again," Skultety told the commission.

William Aitken, attorney for the company, called attention to the fact that Skultety had failed to take into consideration $195,000 that will be required for bond interest when he made his 60 per cent computation. The Fairbury attorney admitted that this would make some reduction in the profits.

Grain Comparison.

Aitken chided the farmers for objecting to the increase pointing out that if phone payments were made in corn it would only require one-third as much as it cost in 1940. He continued that where two bushels of wheat were needed then only 1.3 bushels are now required.

Contending that the proposed increase will only be about 11 per cent, Aitken said that $7,000,000 in capital will have to be put into the physical plant in the next three years and that a fair rate of return will have to be shown to interest investors.

Since Jan. 1, 1947, the company has obtained $3,300,000 in new capital, he told the commission.

Max A. Denney, Fairbury city attorney, asked the commission to issue an order placing Fairbury in a rate classification below the rate fixed for exchanges with 2,500 subscribers. It had been shown that the number reached 2,503 but subscribers quit so as to bring the figure to 2,496.

Fred P. Komerak, Hebron, told the commission the protestants were without engineering and accounting experts necessary to fight the proposed increase and were depending on the good judgment of the commission to protect the subscribers in the district.

Studies show that migratory birds confine themselves to certain geographical regions, known as "flyways."

MRS. GEORGE W. HOLYOKE

Before her marriage on Friday afternoon, September 23, Mrs. George W. Holyoke was Dorothy Weirich Day, daughter of Mr. and Mrs. Ralph E. Weirich.

The ceremony was solemnized at 2 o'clock at the home of the bride's parents, with only members of the immediate families attending.

Of This-- And That-- And The Week-End

SOME HOW SATURDAY is more or less a lone wolf—except during the football season—it's one of those days you never can tell about for sure—One Saturday will be as bare of news as the proverbial cupboard—and then again—as today—it seems to desend upon us from all sides—

THIS IS A RED LETTER DAY for twelve young men-about-town—those in the twelve year-old category—and all from Prescott school and classmates of Frank Edward Gillen—Saturday afternoon Frank's parents, Mr. and Mrs. Irvin Gillen took their son and eleven of his friends to the varsity-freshman game—then entertained them at a turkey dinner at their home.

In the group were Dwight Meirhenry, Pro Sherman, Tommy Morrisey, Kenneth Kopta, Johnny Usher, Donald Settell, Herbert Probasco, Robert Stein and Billy Wilbur.

ALTHOUGH THE football stag and dinner doubtless is one of the high spots on the young set calendar—the feminine contingent is not to be ignored—

Today, at Hotel Cornhusker, Miss Karen Beghtol, daughter of Mr. and Mrs. Max Beghtol, who leaves on Sunday for Emma Willard school, Troy, N. Y., was the honoree at a surprise party when Miss Kay Perrin and Miss Barbara Farquhar were luncheon hostesses. Following the luncheon, for which places were arranged for nine, the guests were entertained at a movie.

ON THE ADULT CALENDAR for Saturday evening is the supper for which Judge and Mrs. Adolph Wenke will be host and hostess at their home when they entertain in farewell courtesy to Mr. and Mrs. Phil Tracy who leave soon to reside in Columbus.

Included in the guest list of forty will be Mr. and Mrs. Marshall Jones of Sioux City, Ia., formerly of Lincoln.

ARRIVING ON FRIDAY for a brief visit in Lincoln were Mrs. James F. Powell and her daughter-in-law, Mrs. William Powell, of Ottumwa, Ia. Mrs. James Powell plans to go on to Pawnee City for a short stay, but Mrs. William Powell will remain in Lincoln as the guest of her brother-in-law and sister, Mr. and Mrs. H. W. Spahnle.

The visitors will return to their home in Ottumwa on Monday.

HOME AGAIN on Monday will be Miss Marguerite Hac who returns from California where she has been spending the past two months visiting her sister, Dr. Lucile Hac, at Woodland.

Sigma Nu; please note—for future reference.

A BELATED ANNOUNCEMENT from the Bassinet club has to do with the arrival of Bradford Scott Anderson on Sunday, September 11, at Lincoln General hospital. His parents are Mr. and Mrs. Bernard Anderson, and his mother is the former Phyllis Yenne, Alpha Omicron Pi at the University of Nebraska. Young Bradford's paternal grandparents are Mr. and Mrs. Harold Anderson of Lincoln, and his maternal grandparents are Mr. and Mrs. Lester Yenne of Eugene, Ore., formerly of Lincoln.

Lin-Scho Wives Entertain Sunday

POSING FOR THE PHOTOGRAPHER as they complete plans for a reception to be held between the hours of 4 o'clock and 10 o'clock Sunday evening at the home of Mrs. Gilbert S. Willey, are the board of directors of the Lin-Scho Wives, a newly-organized club for the wives of Lincoln public school faculty.

From left to right, seated at the table, are Mrs. L. H. Alberty, newcomers committee chairman; Mrs. Frank Snyder, secretary; Mrs. Edwin E. Wahl, president; and Mrs. Ludwig Gartner, social chairman. Standing, left to right, are Mrs. Walter Foster, treasurer; Mrs. C. F. Heinz, new member; Mrs. Charles Worrall, activity chairman; Mrs. Tom Gillaspie, courtesy chairman; Mrs. William Pfeil, telephone chairman; and Mrs. James Pelley, historian. Not included in the picture is Mrs. Windle Reel, vice president.

The reception will honor the wives of the new Lincoln school faculty. Mrs. Edward Rowley, Mrs. Harold Huestis, Mrs. Robert Hall, Mrs. Carl F. Heinz, Mrs. William D. Tallichet, Mrs. Edward Johnson, Mrs. Max Hester and Mrs. Joseph Partington. In the receiving line with the honorees, who will also include Mrs. Stanley G. Zemer and Mrs. I. Lincoln High Rolls, 25-0

Over 4,000 See Hometowners Lambast Outclassed Gothenburg

BY JIM MILLER
(Star Sports Staff Member)

AN ALERT, scrappy Lincoln high eleven Friday night tuned up for next Friday's battle with Sioux City East by thumping an outclassed and never-threatening Gothenburg team, 25-0, in the 1949 football opener at the Lincoln high oval.

Coach Bill Pfeiff's all-new aggregation netted the win by completely shackling the Swedes' offensive tactics at all times and by mustering scoring punch in the opening and closing phases of the game.

Some 4,000 fans saw Galloping George Gohde bull his way from 13 yards out to score the Red and Black's initial touchdown of the season after four and a half minutes of the first quarter had been played.

Lincoln took the opening kick and rambled to three first downs in the 50-yard scoring parade which saw Fullback Gohde slant through right guard for the counter. Gohde's plunge attempt for the extra point, after the Links had suffered an offside penalty, was short.

LINKS HOLD

The remainder of the first half, the winners kept control of the ball and once drove to the Gothenburg three-yard line only to lose possession by downs.

A holding penalty levied against the Links on the Swede 15-yard stripe, after John Maser had intercepted an aerial and zig-zagged 40 yards, cost the host team another six points near the end of the first half.

Guard Melvin Ellison's recovery of Swede Halfback Lewis Wolfe's fumble on the Gothenburg five gave way to the second Lincoln touchdown after eight minutes of the third quarter. Bob Settell, Capital City halfback, slammed over from the one for the marker. Maser's plunge for extra point was stopped cold.

MASER PASSES

Link lightning struck again just three minutes later when Lyle Blue, Red and Black guard, pounced on a fumble by Don Holmes, Gothenburg backfield ace, on the 10-yard line.

A backfield in motion rebuff and the personal defensive work by the Swedes' Wynne Norsworthy left Coach Pfeiff's charges on the six-yard line with a fourth-down situation.

Maser received the ball and, receiving good protection, hurled a semi-desperation pass to End Don Weber in the end zone. Weber made a diving leap and snared the ball as he hit the ground for another Lincoln score. This time, Maser went through standing up for the extra point.

STOEHR RUNS

Jittery Gothenburg backs again presented Links the key to the final six points after seven minutes of the final canto. On this occasion, Dale Bratten fumbled and Lincoln guard Dick Davis recovered near the midfield mark.

Then, on second down, 148-pound Dick Stoehr took the ball and swivel-hipped his way 35 yards down the left side for the last of the evening's scoring. A plunge by Harlan Wiederspan failed to enlarge the tally.

Gothenburg bright spots were limited to defensive brilliance in the middle part of the fray. Guard Roger Sylvan proved a rugged obstacle to Lincoln ball handlers all night.

Running and passing delivered by Maser and the offensive spark ignited by Gohde, Eldon Park and Stoehr stood out in the Lincoln win, as well as front line play which had the visitors completely unnerved.

Northeast Jolted By Orange

Beatrice Aerials Give Host Team 13-7 Win

(Special to The Star)

BEATRICE—Any Mid-East grid laurels heretofore nursed by the Northeast Rockets received a jolt Friday night at Beatrice as Coach "Red" Littler's Orangemen pulled out a 13-7 win over the Lincolnites.

A freak break gave Beatrice the deciding points with only three minutes left in the game.

Beatrice's Duane Gay, the game's standout, faded back and let loose a heave to End Les Kleman but Northeast's Paul Fredstrom speared the ball and started back up the field. While doing so, the pigskin dropped from Fredstrom's hands into the eager Kleman's arms. Another Gay to Kleman pass two downs later gave the Orangemen the final counter.

Earlier in the second quarter, Sophomore Back Bill Hawkins rambled 59 yards for the first Beatrice score.

The Rockets' only tally came in the third chapter when Jack Woods passed to Fredstrom to the Orangemen's nine-yard line. Duane Rankin bulled to the two and Woods leaped over for the TD. Keith Smith's successful conversion gave Northeast a 7-6 margin until the Gay offensive in the last quarter.

The Orangemen's victory was assured in the waning moments of the contest when a desperation Northeast flip found its mark in the hands of a Beatrice back on the winner's three-yard line. The Gage county eleven then stalled the remaining time to gain the win.

Beatrice's passing attack ripped the NE defenses after intermission. Six out of 10 tosses were completed for the evening by the Orangemen.

Wesleyan Entertains Omaha U.

Plainsmen To Depend On Vets In Opener

BY BOB BERKSHIRE
(Star Sports Staff Member)

The Nebraska Wesleyan gridders will open their season Saturday night when they play host to Omaha university at O. N. Magee Memorial stadium.

The game is scheduled to start at 8:00. The Omaha U. game will be Cliff Squire's first opportunity to show his wares as a back. The 205-pound ex-Northeast star has been an all-conference center for three years, but donated his talents to the backfield his senior year.

MARTIN BIDS.

Teaming with Squires in the backfield will be Kenny White, 150-pound quarterback from Plattsmouth, Alden Johnson, Fairbury and Mark Martin, ex-Northeast star and a member of the University of Nebraska freshman team last year.

Omaha U. won last year's contest, 12-0. Wesleyan held the Indians to three first downs and a net of 33 yards rushing, but still lost. Joe Arneas, ex-Lincoln high star and Bud Abboud, and Omaha Central grad are Omaha's chief offensive threats.

The Plainsmen will field a veteran team, only two new hands are in the starting lineup. The left side of the Wesleyan will boast a lot of heft in the form of Richard Widles, Geneva freshman, who weighs 275 pounds. He will play opposite Rene Havlac, who tips the scales at 265.

HEAVY TACKLES.

With Big Lewie Walker, Widles' 265 pound running mate on the doubtful list, the visitors will probably be spotted a three pound per man weight advantage. The Omama starters will average 191 pounds, the Methodists 188.

Walker bruised a wrist in practice Monday. Veteran John Harding, Knoxville, Ill. back, will also be out of suit with a bad knee.

Game officials: Referee, Clair Sloan; umpire, Bill Keefer; Head Linesman, John Siegel; and Field Judge, Chuck Worrall.

The probable starters:

Neb. Wesleyan	Pos.	Omaha Uni.
Ketterer (168)	LE	(180) Shober
Widles (275)	LT	(214) Bryan
DuBois (195)	LG	(185) Carillo

Ashland 'II' Dumps CV

... By 20-7 Count

(Special to The Star)

ASHLAND, Neb.—College View dropped its opening grid tussle to Ashland high here Friday night, 20-7.

Coach Tom Gillaspie's gridders were outclassed the first half, but recovered nicely in the second to play the Bluejays on even terms. Ashland led 13-0 at the half.

Robert Raikes rambled 23 yards around end early in the first period to give Ashland an early lead.

The Ashland gridders added another score in the second canto when three successive penalties made it College View's ball on its own six. A bad pass from center culminated with Ashland recovering the ball on College View's four. William Stambaugh ran over in one play.

The Viewmen didn't score until late in the game. Bill Story ran a punt back for 92 yards and a score. Dick Vosika converted for the extra point.

Field Trials Set October

One of the largest fall field dog trials ever sponsored by the Husker Bird Dog club will be held October 15 and 16 at the Lincoln Gun club grounds.

Fifty-five dogs representing six states have entered the two-day event, according to club president Howard E. Hall.

At a meeting at the YMCA Thursday night, club members worked on plans which call for open puppy, open derby, open all-age and shooting dog stakes.

The public is urged to attend these trials, said Hall who hopes to see a revival of interest in the bird dogs and field trials in Nebraska which waned after once holding one of the biggest field dog events in the country.

Oregon 'II' Whips Gaels; UCLA Wins

... Football Openers

The storm signals are flying and the air is full of pigskin today as the nation's college grid teams swing into their first intensive Saturday of the 1949 campaign.

Oregon and UCLA opened early with rousing victories Friday night.

Oregon, Pacific Coast conference co-champion last year, smashed St. Mary's, 24-7. UCLA showed surprising speed in romping to a 35-13 win over Oregon State.

The west coast will continue to hold the spotlight as Utah invades Washington, Santa Clara sets up shop at California, Utah State travels to Washington State, and San Jose threatens Stanford's dreams of empire.

The game of the week, however, might well be Texas Christian and Kansas at Lawrence, Kas. TCU edged the Jayhawkers, 14-13, in the 1948 opener. This year's inaugural figures about as close.

WAKE FOREST OPENS.

Intersectional competition gets an early season shot in the arm from the quartet: DuQuesne at Wake Forest, William and Mary at Houston, Villanova at Texas A. & M., and Nevada at Cincinnati.

The Lone Star special pits always Rugged Texas Tech against Texas at Austin. There's not much on tap in the midwest and south, most of the majors delaying their start until next week.

However, two southern "biggies" kicked off last night, Georgia beating Furman, 25-0, and Mississippi trampling Memphis State, 40-7. The Georgia win was sparked by Halfback Floyd Reid, a rebel from Hamilton, O., who scored the Bulldogs' first two touchdowns.

Johnny Baker's Denver university gang gave a strong warning to the Rocky Mountain area with a 48-0 rout of Colorado Mines. Drake served notice on the midlands with a 40-0 tune-up against South Dakota State.

Oregon, sans Norman Van Brocklin, unleashed a powerful running game that rolled up 304 yards en route to three touchdowns plus conversions and a field goal.

UCLA's Bruins, favored by only a slight margin, turned loose Ernie Johnson and Howard Hansen on the Beavers from Oregon State. Johnson's 61-yard punt return set up the first Bruin TD while Hansen rambled 64 yards for another score to make it a happy debut for Coach Red Sanders, late of Vanderbilt.

ANOTHER FIRST AND TEN—Lincoln high racked up another first and ten in second half play of the Gothenburg game when John Maser moved over the right side of the Swede's line. Wynne Norsworthy (40) attempts to stop Maser by pulling on his shirt from behind. Roger Sylvan (77) and Duane Detlefson (63) move in to make the tackle. (Staff Photo)

FEATURED IN SEMI-MAIN—Ernie Dusek is featured in the double semi-main event of the season's first wrestling card at the fairgrounds Tuesday night.

Ernie will meet Ken Fenelon of Dubuque, Ia., for two falls out of three with a 45 minute time limit.

Another member of the famed Dusek family from Omaha, Emil, will exchange grunts with Mel Peters of Atlanta, Ga., in the other semi-main bout. The boys will go for two out of three falls with a 45 minute time limit.

In the main event of the evening, "Smiling" Jack Pesek, son of "Old Jawn" of Ravenna, will make his Lincoln debut against another of the Dusek clan—Joe.

All fighters on Tuesday night's card are heavies, Pesek weighing 235 and Joe Dusek weighing 233. Pesek, the ex-Husker football ace, has wrestled in Minneapolis, St. Paul, Columbus, Detroit, Cleveland, Cincinnati, Louisville and St. Louis.

The Ravenna grappler has won in 36 straight starts. Jack said earlier, "I don't want to wrestle in Lincoln until I know I'm tops." His tussle Tuesday night will settle the question.

Free bus service will be run to and from the fairgrounds for the matches, leaving the northwest corner of 10th and O streets and stopping at every corner to 17th and O then turning north to the fairgrounds.

The 1949 college conference football race gets under way Saturday night with a single offering.

Hastings meets Wayne at Wayne.

The only other affiliated teams to see action Saturday will be Wesleyan and Peru, but neither meets a conference foe.

Games Friday night produced no indications of what's ahead in the conference races.

Midland edged Yankton college 6-0 at Yankton, never allowing the host team to penetrate beyond the 33-yard line. Bob Rump was the sole scorer.

Washburn's Ichabods clipped Doane 31-13 for an opener at Topeka that did not catch fire until the final five minutes of play when two passes paid off with touchdowns for Washburn.

Doane scored once on a pass from Ken Kasparek to Frank Schultz and then Jim Brannan snatched the ball from Washburn's Ike Crabaugh and ran 43 yards for a marker.

Buena Vista's triumph over York, 19-12, was quick. The Iowans crossed the goal line in three plays, counting a total of 65 yards. York countered when Frank Wooters went 81 yards off tackle to tie the score on York's first offensive play. Then Buena Vista moved ahead to stay in the second period.

Kearney, shifting from a "T" to a single wing, powered its touchdowns, while the Dakota club attempted ineffectively to hurdle Kearney defenses with passes.

Kearney scored once in the first period, once in the second, twice in the third and once in the fourth period.

McCook junior college took a 14-7 defeat from the Hays, Kas., B team and St. Benedict's of Atchison, Kas., blanked Concordia Teachers of Seward, 39-0.

Best score turned in by a Nebraska club last night was Kearney's 26-0 victory over Black Hills Teachers at Spearfish, S. D.

Yanks Win Cup

GANTON, Eng.—(AP)—America's professional golfers rallied Saturday to defeat Great Britain for the Ryder Cup after having lost three of Friday's opening foursome matches.

The invaders clinched their victory by winning five of the first seven singles matches to finish and making certain of no worse than a tie in the eighth.

Trap Shoot Season Ends Here Sunday

The last registered shoot of the trap shooting season for the Lincoln Gun club will be held Sunday beginning at 10 a.m. at the Lincoln Gun club grounds on North Forty-eighth street.

Starting off the program will be the 50 or 25 pair double targets shoot at 10 o'clock. Following this event will be the 100—16 yard targets event with all shooters divided into four classes, A, B, C and D. First place trophies will be awarded in each class.

The last event of the day will be the 50 handicap targets event. No general trophy will be awarded in the event but scores will count toward winning the Lawlor handicap trophy for high score in the three registered handicap shoots of the season.

This will be the last of the three shoots from which scores are counted toward winning the Lawlor trophy.

Leading in the handicap trophy race after the two previous shoots are Frank Knox of Lincoln and Al Olson of Ceresco, each with a score of 92 out of 100. Tied for second place are James Baroch of Lincoln and Roy Owen of Crete, each with 91.

Peterson, Boling Bid For Publinks Crown Sunday

Finals in all flights of the Lincoln Public Links golf tournament will be played Sunday at the Pioneers golf course with matches beginning at 8 a.m., and 1:30 p.m.

Erv Peterson will meet Dean Boling in the 36-hole championship match for the Harry Reed trophy. Final matches in the other five flights will be 18 holes.

The winner and runner-up in each of the other five flights will receive trophies, to be presented at the Pioneer golf shop at 5 p.m. Sunday.

Bucs Paste Bums

Pittsburgh Wins, 9-2; Cards Increase Lead

By JOE REICHLER

Branch Rickey, baseball's careful cashier, must have had a premonition when he offered Pittsburgh $200,000 for Willie Werle the first time he laid eyes on the Pirate's freshman southpaw.

Rickey, famed for his shrewd player transactions, once again was made to look good Friday night when Werle pitched the Pirates to a 9-2 triumph over Brooklyn that dampened the Dodgers' pennant hopes. That was one time the Dodger president didn't enjoy being correct.

The defeat, coupled with St. Louis' triumph over Boston, 7-5, dropped the Brooks two and a half games behind the National league-leading Cardinals.

AL SAME.

With only 13 games left to play, 11 of them on the road, the future looks dark for the Dodgers Saturday. Only a sudden collapse by the Cards, or a sweep of the three game series in St. Louis next week, can alter this dismal Flatbush situation.

There was no change in the American league race as both New York and Boston won. The front running Yankee maintained their two and a half game bulge, beating the Detroit Tigers, 4-1. The runner-up Red Sox kept pace, spanking the St. Louis Browns, 12-4.

It was back on May 11 that Rickey, a tight-fisted man with a bankroll, made the staggering 200-grand offer for Werle. He had just watched the 27-year-old San Franciscan turn back the Brooks with a seven-hitter in only his second major league start. The Bucs ignored the offer.

KINER WALKS.

Friday's triumph was only the fifth by Pittsburgh in 21 engagements with the Dodgers and Werle owns two of them. His season record is 11-11. Don Newcombe, Brooklyn's top pitcher, was the victim.

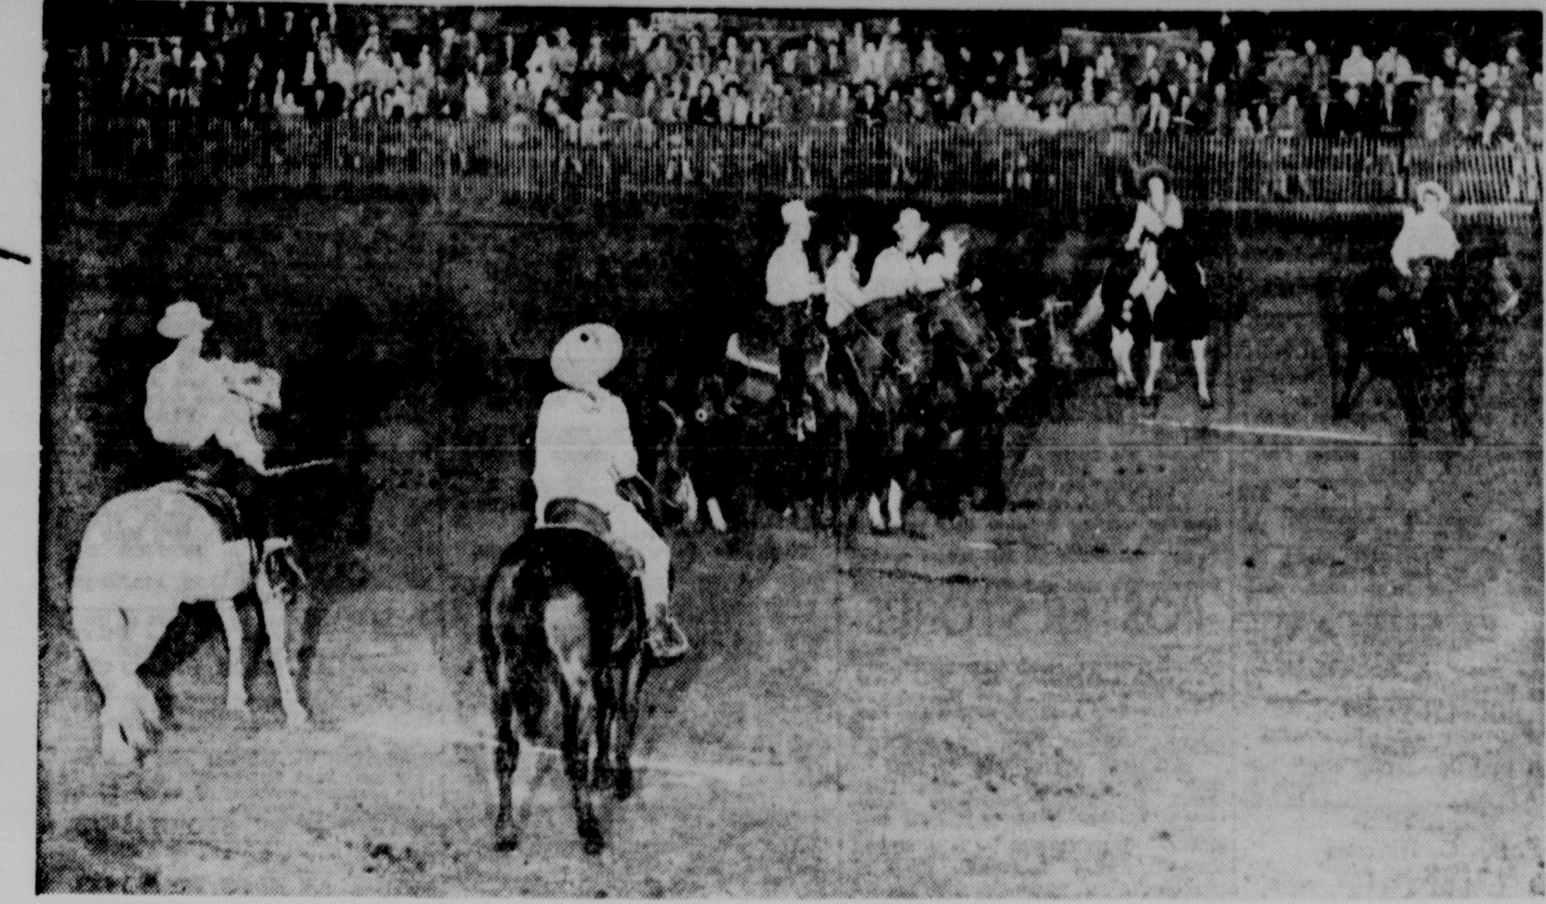

Wally Westlake was the big gun in the Pirate attack. He cracked a double and his 20th home run to drive in four runs. Ralph Kiner failed to add to his home run total of 49, but received three walks in four times at bat.

Dodger Catcher Roy Campanella was hit on the head by a pitched ball in the second inning and was carried from the field. X-ray examination disclosed a mild concussion. Campanella may play again within a few days.

Washington all but eliminated Cleveland from flag contention when they nipped the Indians, 5-4. Ray Scarborough held the Tribe to seven hits as the Nats battered Mike Garcia and Satchel Paige for 12. A base on balls by Bob Feller with the bases loaded in the seventh forced in the winning run.

Woman Hangs Self In Cell At Police Station

Taken As Alleged Parole Violator

Only four hours after her arrest Friday morning for alleged parole violation, Mrs. Darlene Conrad, 29, 323 North Seventeenth, committed suicide in her cell at the Lincoln city jail.

Mrs. Conrad was discovered at 4:05 p.m. by Mrs. Ruth Green, police clerk. She was hanging over the end of the top bunk with a make-shift noose made from a scarf. Mrs. Green immediately called Captain C. C. Hurd and Melvin Green. Capt. Hurd applied artificial respiration until the resuscitator from the fire department arrived, but attempts to revive her failed.

Mrs. Conrad was pronounced dead at 4:20 p. m. by Dr. Fred Long, director of the city-county health department. Dr. Long said she had been dead between 30 and 60 minutes.

Police matron Lucille Roxberg checked Mrs. Conrad's cell and an adjoining cell at 1 p. m. and reported Mrs. Conrad was lying on her cot and apparently asleep. The inmate in the adjoining cell said she did not hear anything from Mrs. Conrad's cell at any time.

Caught After Chase.

The former inmate of the York reformatory for women was arrested Friday morning after a long chase through alleys and over fences by Policewoman Hulda Stahnke.

Miss Stahnke recognized the woman standing on the corner of Twenty-seventh and Vine, and gave chase when Mrs. Conrad ran.

Mrs. Conrad had been arrested on a request from Richard O. Meissner, chief probation officer of the Nebraska pardon board.

Sentenced on Check Charge.

The pardon board records show that Mrs. Conrad and her husband, Rollin, 31, were sentenced from Douglas county in April, 1948, on no-fund check charges. Both received two year sentences.

Conrad was paroled in April of this year but was returned to the state pen in July for an alleged parole violation. His wife was paroled from the York reformatory in June after serving 14 months.

Mrs. Conrad is survived by her husband, parents in Courtland, Kas., and a brother.

A. T. Howard Going Home From Hospital

A. T. "Bert" Howard, Nebraska republican chairman, is being released from Lincoln General hospital Saturday evening, attendants said.

Howard will leave at 11 p. m. over the Burlington for his Scottsbluff home, arriving at Scottsbluff Sunday morning. Mrs. Howard said he will remain in his home for several weeks.

The chairman has been in the hospital recovering from a heart attack suffered in Lincoln while attending a republican party conference several weeks ago.

Irrigation Ditch Claims Lyman Child

LYMAN, Neb.—(AP) — Larry Douglass, two and a half, son of Mr. and Mrs. Virgil Douglass of Lyman drowned here Friday afternoon in an irrigation ditch which passes through the town, Roy Coffin, police chief reported.

Coffin said the child's body was found, caught against upright iron pipes in the ditch near the edge of town, half an hour after volunteer firemen had been summoned to search. Attempts to revive the tot failed.

The child had been playing near his home, which is 200 yards from the ditch, when his absence was first noted, about an hour before being found.

Besides his parents, Larry is survived by a sister, Phyliss, and three brothers, Clifford, Ronald and Lee, all at home.

Funeral arrangements are incomplete.

Ship Disaster

(Continued from Page One.)

passengers and carried at least one woman to safety. Crew members said he leaped over the bow as flames closed in on him.

The fire broke out in the aftersection and then roared through the wooden deck structure of the 36-year-old vessel.

It was the worst Great Lakes disaster since 12 crew members died when the Canadian freighter Emperor rammed into the Lake Superior rocks and sank June 4, 1947.

Some of the survivors escaped entirely naked. Sam Graham, a Canadian employe of the steamship line, described himself as "very lucky" to escape in his underwear and without shoes. He said he feared many persons were trapped in the ship.

"Some of those people were partying and after they had gone to bed, I'm afraid many of them wouldn't smell smoke or hear any shouts of fire," he said.

Blaze Burns Five Hours.

The night blaze burned for almost five hours before firemen could go aboard. The first alarm sounded at 2:38 a.m.

Eighteen fire trucks and two fire boats, called by three alarms, fought a futile battle against the blaze at the Canada Steamship Line's pier, at the foot of Bay street.

The ship settled by the stern, her bow pointing toward the city. Her name "Noronic" gleamed almost unblemished in the daylight, with wreckage and ruin all about. The wooden superstructure of the two upper decks was burned away and the ship's skeleton was buckled in at least two places.

Steel lifeboats on the starboard side of the upper deck alongside the pier were crumpled like wet paper.

Two masts stuck out of the water. The crows nest of the forward mast was flame-singed.

Water Dragged.

Two dozen hoses kept playing on the wreckage while the search for bodies went on.

As the burned corpses were handed up from the amidships area where the saloon was located, they were wrapped in tarpaulins and laid on the pier in the haze of smoke and steam.

DIVORCE CASES

Edward Lee Schultz filed for divorce from Roxie Ann Schultz in District court, charging extreme cruelty. Marriage took place Sept. 30, 1948 at Reno, Nev.

Budget Director Post Offered To North Platte Man

The post of state budget director, created by the last session of the legislature, has been offered to W. O. Collett, secretary of the North Platte chamber of commerce, Gov. Val Peterson announced.

The governor said he offered Collett the post some time ago, but so far Collett had not notified him of any decision.

Collett went to North Platte about a year ago from Brady, where he was in the banking business about 20 years.

Baer Declines Post.

The governor disclosed that Dr. B. H. Baer of Ashland had declined appointment as state health director.

Dr. W. S. Petty, who resigned the directorship recently agreed to remain at the post until Nov. 1.

The governor said Christ Petrow, formerly his secretary, had completed a study of the personnel and equipment of the health department, and now has been assigned to make a similar survey of the assistance department.

The governor said results of the studies were to give him a better insight into the various departments from an administrative standpoint, and would not be made public.

Man Pleads Guilty To Fugitive Charges

A 48-year-old Michigan state prison escapee Friday pleaded guilty to a fugitive from justice charge when arraigned in Municipal court.

The man, who identified himself as Harvey L. Klinahan, was committed to the county jail for 10 days or until he is extradited. He refused to waive extradition.

Klinahan was identified by police as Francis Moynihan through "Wanted" circulars following his arrest Thursday night at the Antelope park trailer camp for intoxication.

According to a complaint filed by County Attorney Frederick Wagener, the man escaped from the state prison of southern Michigan at Jackson in January, 1948.

Gambling In State May Go To Vote

Legalization Aim Of Group Formed By 3 Superior Men

Legal gambling in Nebraska became a possibility Saturday as three Superior businessmen revealed that they were forming an organization to take the question to the voters.

Glenn Williams, 32, and Eugene Gray, 25, held a conference Friday with Max Towle, Lincoln attorney. Third member of the trio is Dudley Gray, 27, who operates a Superior hotel with his brother, Eugene. Williams owns a liquor store in Superior and an "amusement route" in Nebraska and Kansas.

The men were not decided whether the attempt would be made by initiative referendum or constitutional amendment. The Nebraska constitution prohibits the legalization of gambling, except pari-mutuel betting.

General Gambling.

No special form of gambling, but rather gambling in general, is the object of the Superior men, they explained.

The idea has received the approval of several veterans' and private clubs in a number of Nebraska towns, among them Grand Island and Hastings, according to Williams. He added that needed financial support was being solicited from such organizations.

Towle stated that 40,000 signatures would be needed to take the question to the polls, and advised the group to get 50,000. He estimated that the campaign might cost $75,000.

Towle said Saturday he had merely given the men advice. He has not been definitely retained.

Omaha Referendum Move Likely.

The possibility of a referendum move in favor of bingo was announced at a mass meeting in the Omaha labor temple last night by Don Gordon of the AFL recreation committee.

"We hope to have bingo back soon," Gordon told a mass meeting there. He said the committee has met with lawyers to discuss petitions for a referendum vote on legalizing bingo under these conditions.

Signatures also were sought on an open letter to Gov. Val Peterson criticizing the ban on bingo which is part of Attorney General James H. Anderson's crackdown on gambling in Nebraska. The letter cited an address given by Governor Peterson at the German home during last year's election, stating that in that talk the governor said he "loved to play bingo."

Strategic air command headquarters here announced that Friday bingo games at Offutt air force base have been stopped to comply with the ban.

5 Local Riders Take Firsts At Show In Bennet

Five Lincoln riders won first at the 16th annual Bennet horse and mule show Friday which drew close to 5,000 spectators.

Dr. G. A. Ackerman, 6518 Baldwin, took top honors in the open jumping class, the first event on Friday night's program.

Clyde Hanson, also Lincoln, rode off with first prize in the triple bar jump and Jerry Smith was winner of the Tennessee walking horse class for two-year-olds and under.

Ronnie Abrams won the trick pony class for riders, 16 and under, and Robert Hudson placed first in the Tennessee walking horse open class. Both riders are from Lincoln.

Other first place winners follow:

White Albino—Glen Sturdy, Cheney.
Water race—Garry Crom.
Calf ride—Jerry Lindquist, Bennet.
Three-gaited horses—Lane Hart, Cozad.
Trick horse, all-age class—Audrey Labart, York.
Pig race—Chuck Barnes, Colorado.
Stock saddle horses, senior—Chick Campbell.
Stock saddle horses, junior—Gene Hall.

Judging is being done by Archie Adams jr. of Wichita, who will also determine Saturday's winners.

Association president is Albert Francke, ringmaster, O. W. Lanning, Eagle, and announcer, Jack King of Lincoln.

$109,000 Suit Filed Against Auburn Pair

Two prominent Nebraska race horse owners were named defendants Saturday in a $109,000 suit filed in Federal court.

The plaintiff, George W. Lewis, of San Anselmo, Calif., alleges that he loaned the large sum, in several installments, to Earl Beezley and Hazel Beezley, of Auburn, to start a joint horse racing business and that the Beezleys instead bought real estate in their own names with the money.

Injunction Sought.

Lewis says in his petition that the first $25,000 was loaned to the Beezleys in 1946 for the purpose of purchasing a garage in Auburn.

When that deal fell through, the complaint says, Lewis gave the Beezleys an additional $50,000 to start a horse racing business. Later loans brought the total to $109,000, of which the Beezleys were to pay back one-half as purchase for their half of the partnership racing business.

Lewis alleges that the defendants used the money to buy real estate in Auburn.

The plaintiff asks injunction against sale or encumbrance of the property in Auburn, title to the property, and judgment for the whole of the $109,000.

Service Agency Aids 103 Families During August

Ben Hayenga, general secretary of the Family Service association, gave a report of the summer activities of the agency at a board meeting Friday. He reported that in August 42 persons requested service of the agency. During the month 103 families were rendered service, he said.

Percy Mays, treasurer, reported that a total of $4003.81 was spent during the period. Of this amount, $1886.41 was spent for building repair.

The personnel committee reported that Chesta Beckwith was employed as office secretary, and Charles Henry Byrne was employed as a case worker.

B. E. Ogden presided at the meeting. Board members present were Mrs. A. L. Lew; Dr. Janet Palmer; Miss Carrie King; Mrs. Arnott Folsom; Mrs. Otis Wade; O. L. Webb; C. Ned Cadwallader; Rex Smith; and Robin Reid.

Engineering Group Hears Speech By National President

C. Willard Leihy, Chicago, national president of Sigma Tau, was principal speaker at a meeting of active and alumni members held in the Cornhusker hotel Friday night.

Leihy led the discussion of newly formulated alumni-membership clauses in the constitution of Sigma Tau, national honorary engineering fraternity.

In addition to the national president and Mrs. Leihy and national secretary-treasurer C. A. Sjorgren, other members and alumni of the University of Nebraska chapter included: Roy M. Green, dean of the college of engineering and architecture, A. T. Lobdell and Don Young of the state highway department, Earl Luff, Lincoln Steel Works, Arthur Dobson, Dobson Construction company, L. W. Chase, charter member and first national president, and officers of the active chapter and members of the engineering college faculty.

Lincoln's Traffic Meter Repair Policy Pays Off

The ounce-of-prevention policy followed by Lincoln's police department has been paying unrealized dividends.

Although the dividends are not large, the fix-em-as-they-fail practice of the parking meter division has proved itself. To persons entrusted with keeping nickels pouring through the meter heads—and parking space available—the practice is an endeared dollar-saver.

Only consistent checks on meter timing and operation can keep the more than 1,100 meters in the city in top running form. And some ten thousand motorists happy.

Omaha Has Troubles.

The purpose of continual check and repair is actually two-fold:

1. There is an uninterrupted flow of nickels through meter heads.

2. Public complaints are kept at a minimum.

And though the first function is important, the latter is the one that police department heads are interested in. For as soon as there is dissatisfaction among motorists regarding parking meter operation, things begin to happen.

Witness Omaha this past month.

There, not only has a concerted effort been made to jam the parking meters with bent coins and slugs, but, Omaha finds itself faced with a legal suit because some meters were not working correctly.

Three-Way Check.

Lincoln meters are not only checked three times daily, but police officials have taken an added precaution which is not in the least to the benefit of the parker: All meters are clocked for 63 minutes.

Meters are first checked by the parking meter mechanic, later by the police officers who take up the daily meter collections, and then by policemen on their daily beat. In this way, all slips or breakdowns are caught on the same day they happen.

14 Repair Jobs Daily.

About 14 meter heads have to be removed and repaired in the shop each day. One of the two policemen who collect meter earnings is the department's meter trouble-shooter. These average about 30 a day.

As an additional measure of care, police officials always give the parking violator the benefit of the doubt when meter timing is involved. This, they say, helps to placate any would-be meter jammers.

Then you ask, does it pay to catch the bad ones as they break down? Unequivocally police officers reply: "Absolutely."

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.
